## What's different about our Pods?

Odd Pods have been nominated out of 500 exhibitors for the Best Quality of Build award at the NEC event for farming Diversification.

We believe in quality and a product that will last. We are specialists in timber and steel frame construction, so we know what we are doing. This expertise has been used in the construction of super high strength, galvanised steel and Glulam framed pods and shepherd huts. Each of which has been designed and built by us at our workshop in West Wales.

## Key Standard Features of our Glamping Pods:

- Stylish bathroom
- Fitted kitchen
- 120mm insulation for year-round occupancy
- Larger living space than most other pods on the market
- Large, 2m covered deck space – sit outside, whatever the weather
- Mould-resistant canopy
- Towel radiator in the bathroom
- Low maintenance
- Fully plumbed and wired ready to connect to external input/outputs.

We design and manufacture the pods ourselves, we are able to keep costs down without scrimping on build quality. In fact, our pods are stronger than many of our competitors because of the galvanised steel chassis and Glulam frame, offering you extra durability and an extended life span.

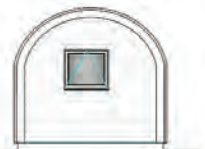

## Popular Available Styles

## Finish Options

Outside can be finished in wood or you could choose a stone cladding effect from below. Please note this an 'after delivery option' and will be applied on site only.

## LIGHTWEIGHT ROOFING Options

### **Delivery costs**

When you order your Odd Pod, we will arrange a convenient delivery and installation schedule anywhere in the UK.

The cost of delivery depends on the number of Odd Pod Glampers you require, the campsite access and transportation distance. Please give us a call for an estimate.

We will arrange delivery by heavy duty, low loading trailer as the pods weighs approximately 1.5 tonne. The charges are based on the distance from Llandeilo to the delivery address. Delivery to a customer is based on £100 plus £1.30 per mile from our Towy Valley Workshop.

### **Terms of Business**

50% on initially placing order, further 25% on completion and before delivery.
